

# COMPANY PROFILE PUNGGAWA TRANSPORTASI NAGARI

# TENTANG KAMI

## About Us

CV. Punggawa Transportasi Nagari merupakan mitra solutif di bidang transportasi dan logistik. Kami terus menghadirkan layanan komprehensif untuk mendukung rantai pasok dan mobilitas bisnis Anda. Sebagai perusahaan yang terus berinovasi, kami menggabungkan keandalan layanan konvensional dengan sentuhan teknologi modern untuk memastikan setiap proses logistik dapat dipantau secara real-time, transparan, dan efisien.

Portofolio layanan kami dirancang untuk memenuhi berbagai kebutuhan distribusi, mulai dari skala regional hingga nasional. Layanan Transportasi & Pengiriman Barang kami mengoptimalkan moda darat, laut, dan udara dengan perencanaan sistemik yang matang. Didukung oleh Armada yang lengkap, terawat, dan mampu mengangkut berbagai jenis muatan, kami menjamin keamanan dan ketepatan waktu pengiriman.

Layanan EMKL (Ekspedisi Muatan Kapal Laut) kami menyediakan solusi logistik maritim yang andal. Sementara itu, Air Freight menjadi pilihan utama bagi pengiriman prioritas dan waktu kritis yang membutuhkan kecepatan tinggi. Kami juga menyediakan layanan Sewa Kendaraan operasional bagi perusahaan yang membutuhkan fleksibilitas armada tanpa harus mengelola sendiri.

komitmen kami senantiasa memberikan pengalaman layanan yang aman, tepat waktu, terpercaya, dan bernilai tambah. Kami bertekad untuk menjadi bagian dari kesuksesan operasional dan pertumbuhan bisnis Anda.

*CV. Punggawa Transportasi Nagari is your strategic partner in integrated transportation and logistics, delivering comprehensive solutions to support your business's supply chain and operational mobility. As an innovation-driven company, we blend the reliability of conventional services with modern technology to ensure every logistics process is real-time, transparent, and efficient.*

*Our service portfolio is designed to meet diverse distribution needs, from regional to national scales. Our Transportation & Cargo Delivery service optimizes land, sea, and air modes with mature systemic planning. Supported by a complete, well-maintained trucking fleet capable of handling various cargo types, we guarantee the safety and timeliness of your shipments.*

*Our Sea Freight Forwarding (EMKL) provides dependable maritime logistics solutions. Meanwhile, Air Freight is the premier choice for priority and time-critical shipments requiring high speed. We also offer Corporate Vehicle Rental services for businesses seeking fleet flexibility without the operational overhead.*

*We are unwavering in our commitment to provide a service experience that is secure, punctual, trustworthy, and value-adding. We are determined to integrate ourselves as a key contributor to your operational excellence and business expansion*

## VISI

## ■ PUTRANAGA LOGISTIC

Solusi trucking andalan Anda untuk pengiriman darat yang cepat, aman, dan efisien. Didukung armada muda dan terawat (CDD, CDDL, CDE, CDDS, FUSO, TWB, Towing), Punggawa Logistic melayani One Way Rent & Daily Rent dengan jangkauan Jawa-Bali. Kami juga menyediakan fasilitas Storage Warehouse & Cold Storage, memastikan setiap barang tersimpan dan terkirim dalam kondisi terbaik.

*Your reliable trucking solution for fast, safe, and efficient road transportation. Backed by a young and well-maintained fleet (CDD, CDDL, CDE, CDDS, FUSO, TWB, Towing), Punggawa Logistic offers One Way Rent & Daily Rent services covering Java and Bali. We also provide Storage Warehouse & Cold Storage facilities, ensuring that every item is stored and delivered in the best condition.*

## ■ EMKL PUNGGAWA

Jembatan logistik laut Anda ke seluruh nusantara. EMKL Punggawa menghadirkan layanan shipment antar pulau yang andal, termasuk pengiriman kendaraan dan jasa TKBM (Stevedoring, Cargodoring, Receiving/Delivery). Kami memastikan setiap proses bongkar muat berjalan tertib, aman, dan tepat waktu.

*The sea logistics bridge connecting you to the entire archipelago. EMKL Punggawa provides reliable inter-island shipment services, including vehicle delivery and TKBM (Stevedoring, Cargodoring, Receiving/Delivery) services. We ensure that every loading and unloading process runs smoothly, safely, and on time.*

## ■ AIR FREIGHT PTN

Jembatan logistik laut Anda ke seluruh nusantara. EMKL Punggawa menghadirkan layanan shipment antar pulau yang andal, termasuk pengiriman kendaraan dan jasa TKBM (Stevedoring, Cargodoring, Receiving/Delivery). Kami memastikan setiap proses bongkar muat berjalan tertib, aman, dan tepat waktu.

*When speed matters most, Air Freight PTN is the answer. Our Express Shipping and Air Courier services are designed for time-critical and priority cargo, with maximum security handling and on-time delivery you can trust.*

## ■ PUNGGAWA TRAVEL

Nikmati perjalanan yang nyaman, aman, dan berkelas bersama Punggawa Travel. Kami melayani shuttle, rental bus & microbus, rute AKDP & AKAP, dengan armada seperti Hiace, Elf, dan Bus Besar untuk perjalanan dinas, wisata, hingga event korporasi.

*Have a comfortable, safe, and classy trip with Punggawa Travel. We provide shuttle services, bus & minibus rentals, AKDP & AKAP routes, with a fleet of vehicles such as Hiace, Elf, and large buses for business trips, tours, and corporate events.*

## ■ PUTRANGA RENT

Lebih dari sekadar sewa kendaraan — PTN Rent adalah partner mobilitas bisnis Anda. Kami menyediakan rental jangka pendek & panjang, lengkap dengan Fleet Management Service untuk pengelolaan armada operasional secara profesional. Tersedia juga Mining Car Rental untuk kebutuhan industri dan pertambangan.

*Beyond just vehicle rental, PTN Rent is your business mobility partner. We provide short-term and long-term rentals, complete with Fleet Management Service for professional operational fleet management. Mining Car Rental is also available for industrial and mining needs.*

## ■ PUTRANAGA APP

Inilah jantung digital Punggawa Transportasi Nagari. Punggawa App mengintegrasikan seluruh layanan dalam satu sistem pintar: unit, perjalanan, keamanan barang, keselamatan pengemudi, hingga komunikasi antara klien – driver – office. Semua terkelola dalam one-stop digital logistics platform yang modern, transparan, dan efisien.

*The digital core of Punggawa Transportasi Nagari. Punggawa App integrates all services into one smart platform — managing fleet units, trips, cargo security, and driver safety, while connecting clients, drivers, and office teams in one seamless system. This is your one-stop digital logistics management platform for transparent, efficient, and modern operations.*

## ■ SEWA KENDARAAN PERUSAHAAN

### *Corporate Rental*

Punggawa Rent menghadirkan beragam pilihan unit kendaraan untuk menunjang operasional perusahaan, instansi pemerintah, dan lembaga swasta. Kami menyediakan skema sewa yang fleksibel dengan layanan respons cepat, kualitas unit terbaik, serta perawatan berkala terstandar. Dengan sistem pengelolaan profesional, kami memastikan armada selalu siap pakai dan mendukung produktivitas organisasi Anda.

*Punggawa Rent offers a wide selection of vehicles to support the operations of companies, government agencies, and private institutions. We provide flexible rental schemes with fast response services, the best quality vehicles, and standard periodic maintenance. With a professional management system, we ensure that our fleet is always ready for use and supports the productivity of your organization.*

## SEWA KENDARAAN HARIAN

### Daily Rental

Punggawa Rent menyediakan sewa harian, mingguan, hingga bulanan sesuai kebutuhan Anda. Setiap unit dirawat rutin dengan standar tinggi untuk menjamin keamanan, kenyamanan, dan performa prima. Kami juga menyediakan layanan tambahan berupa pengemudi profesional dan termasuk biaya bahan bakar, sehingga perjalanan dalam maupun luar kota jadi lebih praktis tanpa repot.

*Punggawa Rent provides daily, weekly, and monthly rentals to suit your needs. Each unit is regularly maintained to high standards to ensure safety, comfort, and excellent performance. We also provide additional services such as professional drivers and fuel costs, making trips in and out of town more convenient and hassle-free.*

## ■ LAYANAN MANAGEMEN KENDARAAN

### *Fleet Management*

Lebih dari sekadar sewa, Punggawa Rent menghadirkan Fleet Management Service yang terintegrasi dengan Punggawa App. Seluruh armada klien dikelola dalam satu sistem digital: mulai dari pemantauan unit, jadwal perawatan, performa kendaraan, hingga keselamatan pengemudi. Solusi ini memberikan kontrol penuh, transparansi, dan efisiensi operasional dalam satu layanan terpadu.

*Punggawa Rent is more than just a rental service, it offers a Fleet Management Service that is integrated with the Punggawa App. The entire client fleet is managed in one digital system: from unit monitoring, maintenance schedules, vehicle performance, to driver safety. This solution provides full control, transparency, and operational efficiency in one integrated service.*

# PUTRANAGAAPP

Layanan ini menjadi salah satu solusi unggulan yang kami tawarkan kepada pelanggan untuk setiap unit kendaraan yang berada dalam masa sewa.

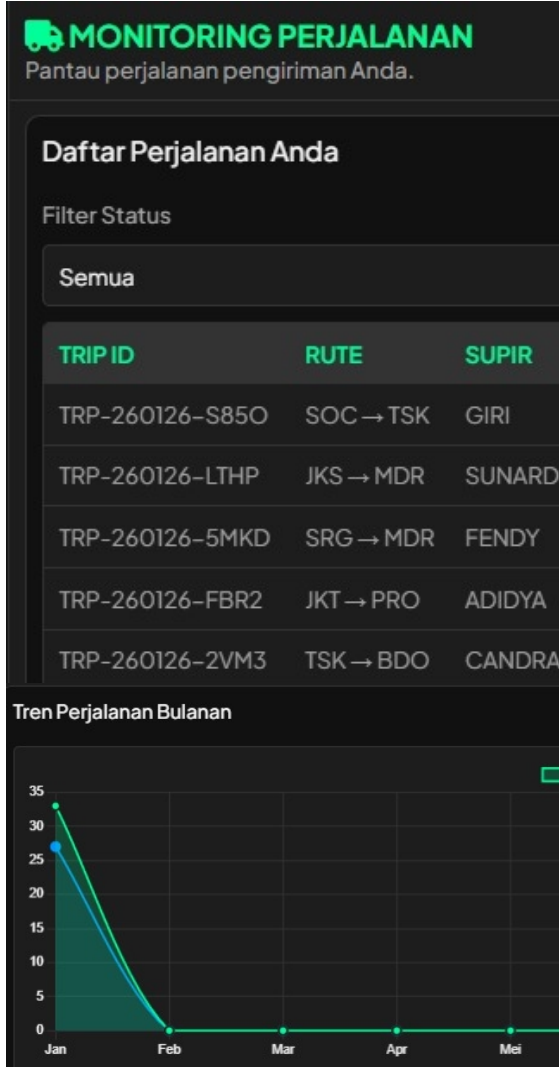

Didukung oleh perpaduan perangkat, software, dan teknologi modern, sistem ini membantu perusahaan mengelola armada secara lebih efektif dan meminimalkan risiko kecelakaan.

Melalui sistem yang terpadu dan terintegrasi, Punggawa App mampu menyajikan data tracking, monitoring, serta analisis performa kendaraan secara real-time untuk mendukung pengambilan keputusan yang lebih cepat dan akurat.

*This service is one of the leading solutions we offer to customers for every vehicle unit that is under lease.*

*Supported by a combination of modern devices, software, and technology, this system helps companies manage their fleets more effectively while minimizing the risk of accidents.*

*Through an integrated and unified system, Punggawa App is able to provide real-time vehicle tracking, monitoring, and performance analysis data to support faster and more accurate decision making.*
